# Chapter 1: Keyboard Shortcuts

This document lists the default keyboard shortcuts for Storyboard Pro. To use a shortcut, press the key(s) and the character simultaneously. The plus (+) sign is not part of the shortcut.

The shortcuts are for both Windows and Mac OS X:

- Toon Boom Storyboard Pro
- Toon Boom Harmony

## NOTE:

Commands without shortcuts are left blank in these tables.

The Custom column is provided so you can write down the shortcuts you customize.

## Keyboard Shortcut Categories

- [3D Nodes](#) on page 5
